

ALMY WOULD ABOLISH THE SHIPPING OFFICE

A strong recommendation that the United States Shipping Commissioner's office in Honolulu be closed, and the duties turned over to the Collector of Customs, has been made to the Bureau of Navigation at Washington by Commissioner Almy; and representations gate Kalanianaole. Shipping Commissince.

He bases his recommendations on the ground that the office, conducted most ideal. on the fee system, is not a paying one to any man who has not a private income. Road Work at Standstill.

Tommy Cummins and John Wilson both claim to be in charge of all road work, the latter as the Road Supervisor, and the former as a "City and County employe." To the casual observer in the office of that official, it might appear that the two contestants were the best of friends, for they are both seated at the same desk. Yesterday, however, Cummins left Wilson in charge of the office while he went out to boss the street-sweepers and see that other necessary work was carried ahead.
